

Exhibitor & Partnership Interest Form

Tell us about your organisation and the kind of exhibition space or partnership you would like to discuss. This is not a booking contract.

Important planning information

Planning period: 24–27 May 2027. The provisional build day is 24 May; exhibition activity is provisionally planned for 25–27 May. Magazine London is the proposed venue, not a confirmed booking. Opening hours, visitor access and final operational arrangements will be published once approved.

What can your company achieve?

- Present your products, engineering expertise or services to visitors who may be interested.
- Meet professional contacts and explore possible business relationships.
- Ask about stands, exhibition zones and partnership options before deciding.

Choose your interest

- Exhibitor stand or display space
- Commercial partnership or sponsorship
- Both exhibitor and commercial partner
- Please advise which option suits us
